Your Feedback
is Crucial to the
Corps!

Community Workshop Sepulveda Dam

The Master Plan shall review and recommend appropriate locations for habitat preservation and recreation, as well as provide guidance for future management of the Corps lands. Community input, in addition to Corps policies and regulations, shall inform the Master Plan analysis.

Agenda

- Review of the first community workshop results and feedback
- Introduce Draft Resource Objectives
- Present land use zone maps for public comment

When: Saturday, February 20, 2010
10 a.m. to 1 p.m.

Where: Sepulveda Garden Center
16633 Magnolia Blvd.
Encino, CA 91406
